## **Company Announcement**

Port Jefferson Station, NY, Collect Products Inc. and Oglethorpe Ltd. are voluntarily recalling lot #041907 of Collect Unflavored Powder & Essentials Factor Cell Synergy Unflavored Powder (1.25 LB) to the retail and consumer level. The Collect Unflavored Powder & Essentials Factor Cell Synergy Unflavored Powder has been found to have unsafe levels of Arsenic and Lead.

Risk Statement: “Long-term exposure to inorganic arsenic has been associated with skin disorders and increased risks for skin, bladder, and lung cancers’

Taking more than two (2) servings daily potentially could result in an accumulation of Lead in the body over time and too much of it can cause serious and sometimes permanent adverse health consequences. People with high blood levels of lead may show no symptoms, but the condition may cause damage to the nervous system and internal organs. Acute lead poisoning may cause a wide range of symptoms, including abdominal pain, muscle weakness, nausea, vomiting, diarrhea, weight loss, and bloody or decreased urinary output. Children are particularly vulnerable to lead poisoning. Lead poisoning can be diagnosed through clinical testing.

Collect Products Inc. and Oglethorpe Ltd. have not received any reports of adverse events related to this recall to date.

The product is used as a supplement and is packaged in a white plastic bottle. The affected Collect Unflavored Powder & Essentials Factor Cell Synergy Unflavored Powder has the following lot #041907 and a manufactured (MFG) date of 05/20/2019 stamped on the bottom.
