**Woodford County Highway Department – Roanoke IL**  
**Monday, March 7, 2022**  
**AGENDA**  
**8:00 A.M.**

- 1. Call meeting to order.....Richard Hill, Chairman**
- 2. Roll Call.**
- 3. Review meeting minutes**
  - (a) Meeting minutes from the February 7, 2022 regular meeting.
  - (b) Meeting minutes from the February 15, 2022 special meeting.
- 4. Review and consider minutes of past Executive Sessions.**
- 5. Public comment.**
- 6. Consider claims for the March 15, 2022, Board meeting**
- 7. Old Business:**
- 8. New Business:**
  - (a) Discuss and act on cold patch quotations.
  - (b) Miscellaneous equipment and specialty items for new shop building
- 9. Other:**

Personnel Update  
New Shop Building  
Snow Plow Truck
- 10. Executive Session.**
- 11. Action coming out of Executive Session.**
- 12. Motion to Adjourn.**

**Road and Bridge Committee  
Woodford County Highway Department – Roanoke IL  
Monday, February 7, 2022  
MINUTES  
8:00 A.M.**

**1. Call meeting to order**

The meeting was called to order at 8:02 A.M.

**2. Roll Call.**

Dan Steffen, Nick Miller, Dave Meinhold and Jerry Smith were all present along with County Engineer Conrad Moore. Richard Hill joined the meeting via telephone and Donny Tolan was excused.

**3. Review meeting minutes of regular meeting on January 10, 2022.**

Motion to approve January 10<sup>th</sup>, 2022 minutes made by Smith, seconded by Miller. *Motion passed.*

**4. Review and consider minutes of past Executive Sessions.**

**5. Public comment.**

None

**6. Consider claims for the February 15, 2022, Board meeting**

Motion to approve February claims made by Meinhold, seconded by Miller. Question as to what classes Lee Kupfer had attended. They were aggregate technician classes, and he has a few more to attend. It was also asked when we would switch over from Yoder Oil to F&S. Bids are done in January and the new prices go in to effect April 1. So the first of April we will switch over to FS as our fuel supplier. *Motion passed.*

**7. Old Business:**

- (a) Consider appropriating Rebuild Illinois Bond Funds for Section 16-00091-02-RR.

Motion to approve appropriating Rebuild Illinois Bond Funds for section 16-00091-02-BR made by Meinhold, seconded by Smith. This is for CH 13 project, at the railroad tracks. There will be multiple fund sources used for this project – a Grant for \$112,500, Local funds of \$12,500, TARP funds for \$33,700, and RBI funds for \$329,500. The RBI funds have to be appropriated in order to use them. It was asked if the surface would be evened out to remove the rough surface of the railroad tracks. The surface will be even with the tracks. *Motion passed.*

- (b) Discuss and act on IDOT Joint Funding Agreement for CH 13 Project, Section 16-00091-02-RR

Motion to approve the IDOT joint funding agreement for CH 13 project made by Smith, seconded by Meinhold. We have a grant for \$112,500. The county has to match 10% of the grant funds (\$12,500). *Motion passed.*

We are on the April letting for that project. The paperwork has been submitted for the Railroad to get an easement and we are waiting to hear if that has been granted. Should we not have the easement by April, then we would move to a subsequent letting.

**Road and Bridge Committee  
Woodford County Highway Department – Roanoke IL  
Monday, February 7, 2022  
MINUTES  
8:00 A.M.**

**8. New Business:**

- (a) Discuss and act on spray patch oil quotes, Section 22-00000-19-GM.

Motion by Smith, seconded by Miller to approve the spray patch oil quotes. Mr. Steffen will abstain from voting. We only received one bid, and for the last several years have only received one bid. That bid is up about 12% from last year, but is within the estimated range. This is for oil that is mixed for spray patching. Discussion on heating the product. We estimate for 11,000 gallons, but only pay for the quantity we use. Last year we used around 9,000 gallons. *Motion passed.*

- (b) Discuss and act on quotes for stockpiling materials (materials delivered to Highway Dept.), 22-00000-20-GM.

Motion to approve the quotes for stockpiling material made by Meinhold, seconded by Miller. Groups 1, 2, and 3 will be accepted. Group 4 is outside the estimated cost. Group 1 is mixed with salt and cinders. Group 2 is CA6, and Group 3 is 3/8 crushed white rock. Discussion on how to get more people to bid. There are not as many truckers as there once was to haul product. It was asked if we call companies to notify them when we are accepting bids. It is published in the Woodford County Journal and on the IDOT website that we are accepting bids. *Motion passed.*

- (c) Discuss and act quotes for pit materials (material at the pit), 22-00000-25-GM.

Motion by Smith, seconded by Miller to accept the pit material quotes. Should we be working on a project, and run out of material, we can go the business that is most advantageous to pick up more supplies. *Motion passed.*

- (d) Discuss and act on procurement of Bulk Rock Salt for FY 2022/23.

Motion by Smith, seconded by Meinhold to approve procurement of bulk rock salt for FY 22/23. Every year the state does salt procurement. We have to let them know by March how much salt we want for the next year. We currently have approximately 1,000 tons on hand and can receive up to 1,500 tons from this year's order. We base our estimate on previous usage. Approval of the resolution allows us to request up to 3,000 tons, but we still only request what we need. The salt never goes bad. It can get a crust on it, but it can be broken up for use. *Motion passed.*

**9. Other:**

**New Maintenance Building – Misc Equipment**

Discussion on hoist options. There are different types of hoist that could be installed – rotary, platform, mobile, etc. We are not necessarily ready to purchase now, but need to be ready and know what type we want before the floors are done. We will have to have hydraulic lifts for the amount of weight that it will be lifting. One type of pump will require 3 phase electricity and we are not installing that in the building. Mr. Davis has a rotary option that lowers into the floor, making the floor flat. Discussion on depth of the concrete. Most of the hoist require a 6 inch

**Road and Bridge Committee**  
**Woodford County Highway Department – Roanoke IL**  
**Monday, February 7, 2022**  
**MINUTES**  
**8:00 A.M.**

concrete, and we will have 8 inches, so we are covered. Item #4 is a series of mobile hoists that can be positioned where needed. They are battery powered so they can be charged. If we had to lift a loaded truck we would need up to 6 mobile hoists. It was recommended that we do not want to lift a loaded truck. Should the need arise that a truck would need to be lifted and it was loaded, then we should take the end loader and unload the truck. Discussion on if this discussion is premature. We want to make sure we make a connection between the floor heating and this. The Highway Department feels it would be best to have a movable lift. We can look at Sourcewell bids for this. Items on Sourcewell have already been legally bid.

The bid opening for the new building will be this Thursday. Multiple packages have been put out for bids. Conrad will gather the bids and make a recommendation to the committee at a special meeting before the Board meeting on Tuesday, February 15<sup>th</sup>. He will put together a summary assessment of the bids and email that to the committee beforehand. If a committee member wants to review the bids himself, he is more than welcome to go to the Highway Department and look at them. We need to make sure the total of the bids do not exceed our estimate. We currently have a little over 2 million dollars saved for the building. The lowest responsible bid has to be taken.

**10. Executive Session.**

**11. Action coming out of Executive Session.**

**12. Motion to Adjourn.**

Motion to adjourn made by Meinhold, seconded by Smith. *Motion passed.*

Meeting adjourned at 8:55 A.M.

Submitted by: Deb Breyman

Richard Hill, Chairman  
Road and Bridge Committee

**Road and Bridge Committee**  
**\*\*\* Special Meeting \*\*\***  
**Woodford County Board Room – Eureka, IL**  
**Tuesday, FEBRUARY 15, 2022**  
**MINUTES**  
**5:45 PM**

**1. Call meeting to order**

The meeting was called to order at 5:45 by Vice-Chairman Steffen.

**2. Roll Call.**

Dan Steffen, Dave Meinhold, Nick Miller, Donald Tolan, and alternate Jerry Smith all present. Richard Hill was present via phone.

**3. Public comment.**

None

**4. New Business:**

(a) Discuss and act on bids for new Maintenance Building.

Bids were opened last Thursday for the new Highway Shop. County Engineer Moore made a request for a motion to approve the lowest bids. Bid total is \$1,741,851.37. Motion made by Meinhold to accept the lowest bids, seconded by Miller. Bids were put out in different packages and we received multiple bids for each package. The total bids is about 0.7% over our estimated costs. Four of the ten contracts will be awarded to contractors located in Woodford County. Approximately 70% of the dollar value of the project will be awarded to contractors located in Woodford County. Chris Tyra has worked with all the bid winners and is happy with the bids and the contractors. The committee was pleased that there were a number of bids for each package, the cost being close to the estimate, and that this process worked so well. It was asked how long the bids were good for. It was felt that we needed to get the contracts signed as soon as possible, so that the contractor can order the supplies needed. We are in an environment right now where supplies are taking longer to receive.

*Motion passed.*

**5. Other:**

**6. Executive Session.**

**7. Action coming out of Executive Session.**

**8. Motion to Adjourn.**

Motion to adjourn made by Hill, seconded by Smith. *Motion passed.*

Meeting adjourned at 5:53 PM.

Submitted by: Deb Breyman

## Woodford County Highway Department

# Memo

**To:** Chairman Hill and Members of the Woodford County Road & Bridge Committee  
**From:** Conrad Moore, P.E., County Engineer  
**CC:** File  
**Date:** March 2, 2022  
**Re:** March 2022 Agenda Item 8(a) (Material Quotes-Cold Patch)

---

Background:

The Highway Department solicits materials proposals on an annual basis for the procurement various materials for use by the Department in roadway maintenance. Quotations are received for materials that the Department picks up at the pit (FOB Pit) based upon which is most advantageous to the County.

For FOB Pit, all quotations for all groups may be accepted and it will be determined at the time of need, based upon location of the work within the County at that time, which quoted price is most advantageous economically.

Purpose:

Having materials on hand and from an available approved source is key to the Department's day-to-day operations.

Applicable Rules:

Woodford County Purchase Ordinance

Other Information:

The materials quoted on the attached will be paid for using County Highway, line item:  
001-630-6308-002 (Surface Maintenance)

The Highway Department received quotes from 2 vendors as summarized on the attached results.

Recommendation:

The County Engineer recommends the Road and Bridge Committee accept all quotes as summarized on the attached bid results with a \$10,000 maximum dollar amount purchase of cold patch for the current fiscal year.
