

Food Establishment Inspection Report

Page 1 of 3

Local Health Department Name and Address Woodford County Health Department 1831 S. Main Street, Eureka, IL 61530		No. of Risk Factor/Intervention Violations 0	Date 02/16/2023
Establishment Meals On Wheels Eureka		No. of Repeat Risk Factor/Intervention Violations 0	Time In 9:20 AM
License/Permit # 23 136		Permit Holder Meals On Wheels Eureka Inc	Time Out 10:35 AM
Street Address 105 W. Eureka Avenue		Risk Category I	
City/State Eureka, IL		Purpose of Inspection Routine Inspection	

FOODBORNE ILLNESS RISK FACTORS AND PUBLIC HEALTH INTERVENTIONS

Circle designated compliance status (IN, OUT, N/O, N/A) for each numbered item
 IN=in compliance OUT=not in compliance N/O=not observed N/A=not applicable
 Mark "X" in appropriate box for COS and/or R
 COS=corrected on-site during inspection R=repeat violation

Risk factors are important practices or procedures identified as the most prevalent contributing factors of foodborne illness or injury. Public health interventions are control measures to prevent foodborne illness or injury.

Compliance Status			COS	R	Compliance Status	COS	R																																																																																																																																																																																																																																																																																																																													
Supervision																																																																																																																																																																																																																																																																																																																																				
1	In	Person in charge present, demonstrates knowledge, and performs duties			15	In	Food separated and protected																																																																																																																																																																																																																																																																																																																													
2	In	Certified Food Protection Manager (CFPM)			16	In	Food-contact surfaces; cleaned and sanitized																																																																																																																																																																																																																																																																																																																													
Employee Health																																																																																																																																																																																																																																																																																																																																				
3	In	Management, food employee and conditional employee; knowledge, responsibilities and reporting			17	In	Proper disposition of returned, previously served, reconditioned and unsafe food																																																																																																																																																																																																																																																																																																																													
4	In	Proper use of restriction and exclusion			Time/Temperature Control for Safety																																																																																																																																																																																																																																																																																																																															
5	In	Procedures for responding to vomiting and diarrheal events			6	In	Proper eating, tasting, drinking, or tobacco use			18	In	Proper cooking time and temperatures	7	In	No discharge from eyes, nose, and mouth			19	N/O	Proper reheating procedures for hot holding	Good Hygienic Practices								8	In	Hands clean and properly washed			20	In	Proper cooling time and temperature	9	In	No bare hand contact with RTE food or a pre-approved alternative procedure properly allowed			21	In	Proper hot holding temperatures	10	In	Adequate handwashing sinks properly supplied and accessible			22	In	Proper cold holding temperatures	Approved Source								11	In	Food obtained from approved source			23	In	Proper date marking and disposition	12	N/O	Food received at proper temperature			24	N/A	Time as a Public Health Control; procedures & records	13	In	Food in good condition, safe, and unadulterated			Consumer Advisory			14	N/A	Required records available: shellstock tags, parasite destruction			25	N/A	Consumer advisory provided for raw/undercooked food			Highly Susceptible Populations			GOOD RETAIL PRACTICES								Good Retail Practices are preventative measures to control the addition of pathogens, chemicals, and physical objects into foods. Vegetable medley/oven	158	Peeled hard-boiled eggs/RIC	38
Rice/oven	207	Southwest chicken/RIC	39

OBSERVATIONS AND CORRECTIVE ACTIONS

Item Number	Violations cited in this report must be corrected within the time frames below.
37	3-302.12 (C) Observed in storage room on shelf clear plastic containers of dry food substances without name identifying contents
	on containers. Working containers holding food or food ingredients that are removed from their original packages for use in the
	food establishment, such as cooking oils, flour, herbs, potato flakes, salt, spices, and sugar shall be identified with the common
	name of the food. Food items were various pastas and rice according to person-in-charge and labeled by person-in-charge during
	inspection.
53	6-202.14 (C) Observed in storage room restroom door not properly self-closing. All toilet rooms located within a food
	establishment shall be completely enclosed and provided with a tight-fitting and self-closing door. Please correct this violation
	within 90 days or at least by next routine inspection.

CFPM Verification (name, expiration date, ID#): Kathy Bowald

Kathy Bowald 21338111 - ServSafe Exp. 12/2026	Tina Schreyer 21441110 - NRFSP Exp. 3/2023	Heaven Scott 20669267 - ServSafe Exp. 6/2026
