

Food Establishment Inspection Report

Page 1 of 3

Local Health Department Name and Address Woodford County Health Department 1831 S. Main Street, Eureka, IL 61530		No. of Risk Factor/Intervention Violations 0		Date 11/21/2023
Establishment ARC at El Paso		No. of Repeat Risk Factor/Intervention Violations 0		Time In 10:30 AM
Street Address 555 E. Clay Street		Permit Holder Arcadia Care Management LLC		Time Out 12:00 PM
City/State El Paso, IL		ZIP Code 61738		Purpose of Inspection Routine Inspection

FOODBORNE ILLNESS RISK FACTORS AND PUBLIC HEALTH INTERVENTIONS

Circle designated compliance status (IN, OUT, N/O, N/A) for each numbered item
 IN=in compliance OUT=not in compliance N/O=not observed N/A=not applicable
 Mark "X" in appropriate box for COS and/or R
 COS=corrected on-site during inspection R=repeat violation

Risk factors are important practices or procedures identified as the most prevalent contributing factors of foodborne illness or injury. Public health interventions are control measures to prevent foodborne illness or injury.

Compliance Status			COS	R	Compliance Status			COS	R																																																																																																																																		
Supervision																																																																																																																																											
1	IN	Person in charge present, demonstrates knowledge, and performs duties			15	IN	Food separated and protected																																																																																																																																				
2	IN	Certified Food Protection Manager (CFPM)			16	IN	Food-contact surfaces; cleaned and sanitized																																																																																																																																				
Employee Health																																																																																																																																											
3	IN	Management, food employee and conditional employee; knowledge, responsibilities and reporting			17	IN	Proper disposition of returned, previously served, reconditioned and unsafe food																																																																																																																																				
4	IN	Proper use of restriction and exclusion			Time/Temperature Control for Safety																																																																																																																																						
5	IN	Procedures for responding to vomiting and diarrheal events			6	IN	Proper eating, tasting, drinking, or tobacco use			18	IN	Proper cooking time and temperatures			7	IN	No discharge from eyes, nose, and mouth			8	IN	Hands clean and properly washed			19	N/O	Proper reheating procedures for hot holding			9	IN	No bare hand contact with RTE food or a pre-approved alternative procedure properly allowed			10	IN	Adequate handwashing sinks properly supplied and accessible			20	N/O	Proper cooling time and temperature			Approved Source										11	IN	Food obtained from approved source			12	N/O	Food received at proper temperature			13	IN	Food in good condition, safe, and unadulterated			14	N/A	Required records available: shellstock tags, parasite destruction			Consumer Advisory										25	N/A	Consumer advisory provided for raw/undercooked food			Highly Susceptible Populations										26	IN	Pasteurized foods used; prohibited foods not offered			Food/Color Additives and Toxic Substances										27	N/A	Food additives: approved and properly used			28	IN	Toxic substances properly identified, stored, and used			Conformance with Approved Procedures										29	N/A	Compliance with variance/specialized process/HACCP		
6	IN	Proper eating, tasting, drinking, or tobacco use			18	IN	Proper cooking time and temperatures																																																																																																																																				
7	IN	No discharge from eyes, nose, and mouth			8	IN	Hands clean and properly washed			19	N/O	Proper reheating procedures for hot holding			9	IN	No bare hand contact with RTE food or a pre-approved alternative procedure properly allowed			10	IN	Adequate handwashing sinks properly supplied and accessible			20	N/O	Proper cooling time and temperature			Approved Source										11	IN	Food obtained from approved source			12	N/O	Food received at proper temperature			13	IN	Food in good condition, safe, and unadulterated			14	N/A	Required records available: shellstock tags, parasite destruction			Consumer Advisory										25	N/A	Consumer advisory provided for raw/undercooked food			Highly Susceptible Populations										26	IN	Pasteurized foods used; prohibited foods not offered			Food/Color Additives and Toxic Substances										27	N/A	Food additives: approved and properly used			28	IN	Toxic substances properly identified, stored, and used			Conformance with Approved Procedures										29	N/A	Compliance with variance/specialized process/HACCP																	
8	IN	Hands clean and properly washed			19	N/O	Proper reheating procedures for hot holding																																																																																																																																				
9	IN	No bare hand contact with RTE food or a pre-approved alternative procedure properly allowed			10	IN	Adequate handwashing sinks properly supplied and accessible			20	N/O	Proper cooling time and temperature			Approved Source										11	IN	Food obtained from approved source			12	N/O	Food received at proper temperature			13	IN	Food in good condition, safe, and unadulterated			14	N/A	Required records available: shellstock tags, parasite destruction			Consumer Advisory										25	N/A	Consumer advisory provided for raw/undercooked food			Highly Susceptible Populations										26	IN	Pasteurized foods used; prohibited foods not offered			Food/Color Additives and Toxic Substances										27	N/A	Food additives: approved and properly used			28	IN	Toxic substances properly identified, stored, and used			Conformance with Approved Procedures										29	N/A	Compliance with variance/specialized process/HACCP																																
10	IN	Adequate handwashing sinks properly supplied and accessible			20	N/O	Proper cooling time and temperature																																																																																																																																				
Approved Source																																																																																																																																											
11	IN	Food obtained from approved source			12	N/O	Food received at proper temperature			13	IN	Food in good condition, safe, and unadulterated			14	N/A	Required records available: shellstock tags, parasite destruction			Consumer Advisory										25	N/A	Consumer advisory provided for raw/undercooked food			Highly Susceptible Populations										26	IN	Pasteurized foods used; prohibited foods not offered			Food/Color Additives and Toxic Substances										27	N/A	Food additives: approved and properly used			28	IN	Toxic substances properly identified, stored, and used			Conformance with Approved Procedures										29	N/A	Compliance with variance/specialized process/HACCP																																																									
12	N/O	Food received at proper temperature			13	IN	Food in good condition, safe, and unadulterated			14	N/A	Required records available: shellstock tags, parasite destruction			Consumer Advisory										25	N/A	Consumer advisory provided for raw/undercooked food			Highly Susceptible Populations										26	IN	Pasteurized foods used; prohibited foods not offered			Food/Color Additives and Toxic Substances										27	N/A	Food additives: approved and properly used			28	IN	Toxic substances properly identified, stored, and used			Conformance with Approved Procedures										29	N/A	Compliance with variance/specialized process/HACCP																																																														
13	IN	Food in good condition, safe, and unadulterated			14	N/A	Required records available: shellstock tags, parasite destruction			Consumer Advisory										25	N/A	Consumer advisory provided for raw/undercooked food			Highly Susceptible Populations										26	IN	Pasteurized foods used; prohibited foods not offered			Food/Color Additives and Toxic Substances										27	N/A	Food additives: approved and properly used			28	IN	Toxic substances properly identified, stored, and used			Conformance with Approved Procedures										29	N/A	Compliance with variance/specialized process/HACCP																																																																			
14	N/A	Required records available: shellstock tags, parasite destruction			Consumer Advisory										25	N/A	Consumer advisory provided for raw/undercooked food			Highly Susceptible Populations										26	IN	Pasteurized foods used; prohibited foods not offered			Food/Color Additives and Toxic Substances										27	N/A	Food additives: approved and properly used			28	IN	Toxic substances properly identified, stored, and used			Conformance with Approved Procedures										29	N/A	Compliance with variance/specialized process/HACCP																																																																								
Consumer Advisory																																																																																																																																											
25	N/A	Consumer advisory provided for raw/undercooked food			Highly Susceptible Populations										26	IN	Pasteurized foods used; prohibited foods not offered			Food/Color Additives and Toxic Substances										27	N/A	Food additives: approved and properly used			28	IN	Toxic substances properly identified, stored, and used			Conformance with Approved Procedures										29	N/A	Compliance with variance/specialized process/HACCP																																																																																							
Highly Susceptible Populations																																																																																																																																											
26	IN	Pasteurized foods used; prohibited foods not offered			Food/Color Additives and Toxic Substances										27	N/A	Food additives: approved and properly used			28	IN	Toxic substances properly identified, stored, and used			Conformance with Approved Procedures										29	N/A	Compliance with variance/specialized process/HACCP																																																																																																						
Food/Color Additives and Toxic Substances																																																																																																																																											
27	N/A	Food additives: approved and properly used			28	IN	Toxic substances properly identified, stored, and used			Conformance with Approved Procedures										29	N/A	Compliance with variance/specialized process/HACCP																																																																																																																					
28	IN	Toxic substances properly identified, stored, and used			Conformance with Approved Procedures										29	N/A	Compliance with variance/specialized process/HACCP																																																																																																																										
Conformance with Approved Procedures																																																																																																																																											
29	N/A	Compliance with variance/specialized process/HACCP																																																																																																																																									

GOOD RETAIL PRACTICES

Good Retail Practices are preventative measures to control the addition of pathogens, chemicals, and physical objects into foods.

Mark "X" in box if numbered item is not in compliance Mark "X" in appropriate box for COS and/or R COS=corrected on-site during inspection R=repeat violation

Heat: 183

TEMPERATURE OBSERVATIONS

OBSERVATIONS AND CORRECTIVE ACTIONS

Item Number	Violations cited in this report must be corrected within the time frames below.
48	4-501.14 (C) Observed in warewashing room top of mechanical warewashing machine soiled with accumulated debris and hard water deposits. A warewashing machine shall be cleaned (A) before use; (B) throughout the day at a frequency necessary to prevent recontamination of equipment and utensils and to ensure that the equipment performs its intended function; and (C) if used, at least every 24 hours. Please correct this violation within 90 days or at least by next routine inspection.

CFPM Verification (name, expiration date, ID#): Kimberly Ryan
