				<b>Employee Training</b>			
				57		All food employees have food handler training	
				58		Allergen training as required	

# Food Establishment Inspection Report

Establishment: Fairlakes Golf Club

Establishment #: 24 175

## OBSERVATIONS AND CORRECTIVE ACTIONS

Item  
Number

Violations cited in this report must be corrected within the time frames below.

Please correct any core (C) violations noted above ASAP but at least by next routine inspection

Please go to our social media/website to view/print food safety information

Facility is still classified as a Category II food establishment. If facility chooses to cool down and/or reheat more than two (2) TCS food items with approved procedures, this facility will be re-classified as a Category I food establishment.

The person-in-charge shall have CFPM certification and be on the premises during all hours of operation. According to person-in-charge, TCS food is only prepared/served when person-in-charge is on the premises.

If any events occur that cause damage to the establishment (flood, water, fire, smoke, power outage, etc.), please contact the WCHD to ensure compliance and that required inspections occur prior to re-opening.

If any changes are planned in the future for this establishment (menu, equipment, remodeling, ownership, plumbing, etc.), please contact WCHD prior to changes occurring for plan review and to ensure compliance.

WCHD provides free food safety in-services to establishments & their staff

Food handler certification is required for all food employees without CFPM certification. "Food employee" means an individual working with unpackaged food, food equipment or utensils, or food-contact surfaces. Food handler certification is required within 30 days from the hire date of food employees.

Ensure compliance with Smoke-Free IL Act - public places and places of employment must be completely smoke-free inside and within 15 feet from entrances, exits, windows that open and ventilation intakes; signage posted at entrances & exits; no smoking or vaping or e-cigarette use in food & drink prep area, dishwashing area, storage area, and within building structure.

This facility is on the NCPWS program and must routinely collect water samples as required
