Food Establishment Inspection Report

Establishment: Tazewell-Woodford Head Start

Establishment #: 24 027

OBSERVATIONS AND CORRECTIVE ACTIONS

Item
Number

Violations cited in this report must be corrected within the time frames below.

Please correct any core (C) violations noted above ASAP but at least by next routine inspection

Please note 1 repeat violation (item #56) was observed during this inspection and a repeat violation letter will be sent to the establishment.

Please go to our social media/website to view/print food safety information

Facility is still classified as a Category I food establishment

At the time of this inspection, this establishment appears to meet the requirements to waive the 3rd inspection

If any events occur that cause damage to the establishment or food products (flood, water, fire, smoke, power outage, boil order, etc.), please contact WCHD to ensure compliance and that required inspections occur prior to re-opening.

Please note that if any changes (menu, equipment, remodeling, plumbing, ownership, etc.) are planned in the future for this establishment, please contact WCHD prior to changes occurring for plan review and to ensure compliance.

WCHD provides free food safety in-services to establishments & their staff

Food handler certification is required for all food employees without CFPM certification. "Food employee" means an individual working with unpackaged food, food equipment or utensils, or food-contact surfaces. Food handler certification is required within 30 days from the hire date of food employees and valid for three (3) years from date of issuance.

Ensure compliance with Smoke-Free IL Act - public places and places of employment must be completely smoke-free inside and within 15 feet from entrances, exits, windows that open and ventilation intakes; signage must be posted at entrances & exits; no smoking or vaping or e-cigarette use in food & drink prep area, dishwashing area, storage area, and within building structure.

Observed temperature log sheets noting internal temperatures of TCS food and ambient temperatures of refrigeration units

This facility (Roanoke Mennonite Church) is on the NCPWS program and must routinely collect water samples as required
