FOR IMMEDIATE RELEASE

**Woodford County Health Department Welcomes Bethanie Albrecht as Public Health Administrator**

Eureka, IL – The Woodford County Health Department is pleased to announce the addition of Bethanie Albrecht as the new Public Health Administrator. With a wealth of experience in various public health sectors, Ms. Albrecht will be instrumental in overseeing public health programs and enhancing community health outcomes at the local level.

Ms. Albrecht brings a background in Emergency Preparedness and Response, where she coordinated and supported Medical Reserve Corps volunteers, along with a broad spectrum of public health experience. She holds a Master's degree in Biosecurity and Disaster Preparedness, focusing on Infection Prevention from St. Louis University, and a Bachelor's degree in Emergency Management with a minor in Community Health from Western Illinois University.

Ms. Albrecht is “pleased to join the Woodford County Health Department and apply my skills to further the mission of improving the health and well-being of the community through health education, promotion, and preventative services. I am excited to work with the team to successfully achieve these objectives.”

Ms. Albrecht will begin her new position on February 24, 2025.
