I, the undersigned, do hereby solemnly affirm that I have read the foregoing permit, and that I have read and agree to abide by the GENERAL PROVISIONS set forth on the following page.

Applicant: _____
Signature _____ Date _____

Approved by: _____ TOWNSHIP HIGHWAY COMMISSIONER

Signed: _____
Township Highway Commissioner _____ Date _____

GENERAL PROVISIONS

1. The acceptance of the permit by the permittee constitutes an agreement that the movement will be made strictly in compliance with the terms set forth in the permit.
2. This permit is effective only insofar as the Township has jurisdiction and does not release the permittee from fulfilling any other existing laws which may apply to the movement.
3. This permit does not authorize movement over any bridge that may be posted for a load limit nor for any movement over highways not maintained by the _____ Township Road District.
4. The movement will be made between sunrise and sunset any day except Saturday, Sunday or a holiday.
5. The equipment, load or object to be transported will not be loaded or unloaded nor parked either day or night upon the highway without specific permission from the Highway Commissioner.
6. The movement will be made in such a manner that the highway will remain open at all times if at all possible and not obstruct the flow of traffic. Other traffic will be given the right of way over this movement.
7. The permittee assumes all responsibility for injury to persons or damage to public or private property, caused directly or indirectly by the transportation of vehicle or loads under this permit. Furthermore, the permittee agrees to hold _____ Township Road District harmless from all suits, claims, damages or proceedings of any kind, as a direct or indirect result of the transportation of the vehicle or loads.
8. The driver of the vehicle will have the permit in his possession during the progress of the movement and will show said permit, on demand, to any police officer or any authorized employee of the Township Road District.
9. This permit does not grant authority for the operation of any vehicle or combination of vehicles which is not properly licensed with Illinois plates.
10. Flagmen will be furnished by permittee to insure safety to other traffic when the overall width of the vehicle or load exceeds 8'- 0". The flagman shall be an employee of the permittee and may either ride in the cab of the motor vehicle with the driver or may accompany the movement in a passenger car or truck. (The driver of another vehicle transporting an over-dimension load cannot qualify as a flagman under this provision).
11. When a load extends beyond the left edge of a vehicle, or a load extends more than 4 feet beyond the rear of a vehicle, a red flag not less than 16 inches square shall be displayed at the extreme rear end of such load.
12. Except as specified in the permit, the vehicle and load shall be moved in compliance with the statutory restrictions set forth in the Illinois Vehicle Code.
13. This permit has been issued by the Township with the understanding that:
 - (1) All legal requirements concerning operational authority imposed by the Illinois Vehicle Code; or the Interstate Commerce Commission, have been complied with by the applicant.
 - (2) The vehicles have been properly licensed in accordance with Illinois law.
 - (3) Both the driver and owner of the vehicle to be moved has met all financial responsibility requirements imposed by law.
 - (4) The operator is properly licensed.Hence when this permit has been acted upon by the permittee, such action shall be deemed an unequivocal allegation by the permittee that all operational, licensing, and financial responsibility requirements have been complied with.
14. Height of structures shall be checked by permittee to insure that adequate clearance is available for the movement.
15. This permit DOES NOT authorize movement of loads in excess of five (5) tons per axle when the roads are restricted in accordance with Chapter 625 ILCS 5/15-316 of the current Illinois Compiled Statutes. EXCEPTIONS with prior approval from the proper highway authority: Emergency vehicles, school buses, Liquid propane cargo tanks (less than 50% full & equipped with gauge).
