### Care About the Count!

Affordable housing. Healthcare centers. School funding. Road projects.

A complete count in the 2020 Census is critical for directing billions of dollars in federal funding to local community programs valued by our citizens. It's quick and easy and takes about 10 minutes. It's safe and secure, and confidential.

Take the 2020 Census because everyone counts! <https://my2020census.gov/>
