### Allowable Activities for Food Establishments in Peoria County

All food establishments in Peoria County are not allowed any on-site consumption of food or beverages – either dining in or outside on their premises through May 30 per the Governor’s Executive Order. They are allowed orders for drive-through, curb-side pick-up, and delivery. Customers should call ahead for curb-side pick-up.

Local health departments throughout Illinois continue to provide disease surveillance activities as well as food safety activities to assure the care and safety of our residents as our highest priority.
